## **One Man, Two Feet, and Nearly 450 miles of Scotland**

Join in the journey that captures the best of Bonnie Scotland. Travel through its lowlands and highlands, lochs and glens, history and culture. All experienced by

John Lynn during a

nearly 450-mile walk of Scotland's length - the final leg of a 1200-mile walking odyssey of the length of Great Britain. Come see the sights and meet the people

John met along the way.

John Lynn of Peoria has plodded, pedaled, and paddled enough scenic and historic trails, roads, and rivers to circle the globe, is the only person to have visited and photographed all 2,400 towns in the state of Illinois, and has shared his experiences through over 4,000 slide presentations in three countries, with more to come. His travels have also taken him to England, Wales, and Ireland.
