

# STORIES OF THE SUN, MOON, GALAXIES, AND PLANET EARTH

## AN EVENING WITH BOBBY NORFOLK

**DATE:**  
**THURSDAY, JULY 18, 2019**

**TIME:**  
**6:30-7:30 P.M.**

### **FUN FOR THE WHOLE FAMILY!**

Looking up in the sky the stars, planets, sun, and the moon have long inspired stories and legends through the ages. Our imaginations take us into the vast unknown. Bobby Norfolk, award-winning storyteller, will present stories of the sun, moon, galaxies, and planet earth in an interactive, high energy, and lively performance!

Told through fairy tales, folktales, myths, and legends from around the world, these stories of "how things came to be", will enchant the young and young at heart!

Bobby Norfolk is not only a storyteller and author from St. Louis; he has been performing throughout the United States and world-wide for over 40 years. Today, he is an actor, comedian, author, and teaching artist, and is well known for his high energy performances, lively animation, and sound effects. He also has 8 published storytelling CD's.

In May of 2018 the faculty at the University of Missouri-St. Louis voted to honor Bobby Norfolk the degree of Doctor of Humane Letters.

Join us for an evening of fun and imagination for ALL ages!
