

GENEALOGY RESEARCH: DNA AND YOUR PRIVACY

DATE:

Thursday, October 24, 2019

This is part of a quarterly class on various aspects of genealogy.

TIME:

6:30-7:30 p.m.

Finding your ancestors and learning family history has become a passionate area of research.

Are you considering a DNA kit to uncover your ethnicity or locate genetic cousins? Learn how to protect your privacy in the changing world of DNA technology.

LaDonna Garner will share a few of the ways you can research that black sheep of the family tree. Ms. Garner, M.A. of Leafseeker Consulting, will guide you through this interesting area of research.

Questions are welcomed and encouraged.
